CASE MANAGEMENT

Connection to resources,
assistance with setting goals
towards housing and creating
housing plans for people
experiencing homelessness in
shelter

Visit our website for
information on resources:

LIHOMELESS.ORG

LICH case management provides...

- referrals to eligible resources such as care coordination, mental health treatment, substance use treatment
- assistance with applying for SNAP and Public Assistance (PA).
- assistance with developing housing plans to exit homelessness and applying for and collecting necessary documentation for eligible housing programs
- an “access point” for Coordinated Entry for people living unsheltered in Nassau and Suffolk Counties

LICH Case Management prioritizes...

- those experiencing homelessness for the longest periods of time in shelter

Case Management is not...

- crisis or 24/7 response
- Direct access to shelter or DSS (all shelter goes through Department of Social Services)

***LICH Case Management is limited and there are very long waiting lists to be enrolled.**
